

Curriculum vitae

Vergjini Mulo (Çabeli)

1982- Finished the high school "Petro Nini Luarasi" with a gold medal.

1986- Graduated from the Faculty of Medicine, dentistry branch.

Work position

1986-1987 - Dentist at Mat (Burrel) dental clinic;

1989-1990- Dentist at dental clinic no. 3, 10, Tirana;

1990- Assistant at the Department of Orthopedics, Faculty of Medicine, Tirana;

1991- onwards - Lecturer in the department of prosthetics, subject of orthodontics.

Scientific titles and degrees

Doctor of Science	University of Tirana, Faculty of Medicine, Department of Dentistry. Topic: "Orthodontic treatment need index and its use in studies epidemiological and in clinical practice" Period 26. 03. 1997
Associate Professor	Received on 26.12.2006 by Decision No. 132 by the Commission for the Evaluation of Academic Titles
Professor	Received on 09.03.2011 from Decision No. 206 by the Evaluation Commission of Academic Titles

Professional responsibility

1993-1999- Leader and representative of Albania in the European Community Program "PECO-EUROQUAL-BIOMED" (Brussels); 1996- onwards - Head of the orthodontics course in the prosthetics department;

1997- onwards - Member of the Balkan Dental Association; 2000- onwards - Member of the editorial board of the Albanian Dental Journal;

2005-2013- President of SHOSH (Association of Albanian Orthodontists); 2000 and on - Vice Dean of the Faculty of Dental Medicine, University of Medicine, Tirana;

-Active participant in various commissions, session moderator in scientific activities inside and outside the country, assessment expert from the external expert council of ASCAI, etc.
2017 - "Member of Editorial Board" in Balkan Journal of Dental Medicine;
2018- onwards - FMD academic coordinator, for international programs (Erasmus, Tempus, etc.);
-Deputy Council of Bass (Balkan Dental Association);
- Chairperson/member of various commissions: NjSBC; ranking or selection of students at the beginning of each academic year; compilation of new programs; organization of the opening day and graduation of students, etc.;
-January 2022- chairperson of the permanent committee for awarding the degree "Doctor of Science".

Scientific leadership

2002- Dr. Çeliana Toti's guide on the topic: "Anomalies of the number of teeth";
2005- Guide and drill of Dr. Ersela Aliaj: "Trauma and consequences"
2005- Supervision of the doctoral dissertation of Dr. Celiana Toti:
"Anomalies of the number of teeth";
2006- The leadership of Dr. Mimosa Dule: "Retention";
2006- The leadership of Dr. Rosela Xemnica: "Dental and skeletal age";
2008- The leadership of Dr. Elona Kongo: "Class III dental and skeletal";
2008- The leadership of Dr. Alketa Qafmolla: "Oral breathing";
2013- Supervision of the PhD dissertation of Dr. Alketa Qafmolla;
2014- Supervision of the PhD dissertation of Dr. Rosela Xemnica;
2015- Supervision of the PhD dissertation of Dr. Elona Congo;
2016- Supervision of the doctoral dissertation of Dr. Zhelmira Thomaj:
"Atypical swallowing in children 6-12 years old";
2014- Supervision of the PhD dissertation of Dr. Albena Rushiti;
2021- Scientific leader of the doctorate of Dr. Ersela Alikaj: "Trauma
on the dental system in pediatric age and their consequences";
2021- Scientific leader of the doctorate of Dr. Iris Çarcani: "Methods of treating
ectopic canine";
2021- Scientific leader of the doctorate of Dr. Manjola Gusho: "Self ligating
technique".

Books and dissertations

1997- Dissertation "The index of the need for orthodontic treatment and its use in
epidemiological studies and in clinical practice";
1997- New cycle of lectures in the subject of orthodontics;
2002- Pocket book: "English-Albanian conversation expressions in the dental clinic";
2002- Monograph: "Functional appliances, their use and value in orthodontic
practice".
2021- Book: "Ortodonzia clinica e biomeccanica", Bari, Italy;

Different

Multiple specializations in Italy. Czech Republic, America, Hungary, Bulgaria,
Greece, England, Holland, etc.
