

RESULTS

Subject: Oral biochemistry and physiology

Academic year: 2025/2026

Type of exam: computer exam

Study program: integrated studies in dental medicine

Date of examination: 13.1.2026

No.	Index number	Points earned
1	7951	9
2	7958	12
3	7959	9
4	7953	17
5	7957	10
6	7956	14
7	8066	9

Total points 20.

The minimum number of points required to pass the test is 12.

Students who have achieved 50% (10 points) or more of the points on both tests, and whose combined score from both tests is at least 24 points, have also passed the exam.

The final (oral) exam will be on the 27th of January at 8:30AM.

Head of the subject
Prof. Kiro Ivanovski, PhD
