

Career Transition Support North Macedonia +++ CALL FOR APPLICATION +++ +++ Apply until August 31st 2026+++

You are about to finish your studies and want to qualify for your first job? You would like to gather practical experience or would like to develop the idea of a start-up? Then find out more about the

Career Transition Support Program www.career-northmacedonia.de

Get first practical experience in the labour market in North Macedonia and build up your skills!

The State of North Rhine-Westphalia awards internship grants and in-service seminars for students/graduates from State Universities. Preferred are students from subjects such as economics, science, technology and humanities but in exceptional cases also from other fields.

The grant includes

- Trainings to improve your application skills (May – October 2026)
- Internship grants of 250,- EURO for 3 to 6 months (in the period October 2026 – June 2027)
- 2 in-depth coaching seminars to improve your skills or develop the idea of a business start-up (November 2026 – April 2027)

Application consists of:

1. Application Form
2. CV (English) in tabular form (personal data sheet)
3. certificates of university (minimum Bachelor's Certificate) & copies of English language skills
4. passport or ID-Card (copy)
5. Certificate of enrolment at current University
6. Professor's recommendation for a grant (in English, including name and date)
7. Internship or volunteering contract (including name and date)
8. motivation letter;

World University Service (WUS), German Committee e.V. is the executing organisation. WUS is an international association of students, lecturers in the field of education.
